

THE COLONIAL MENU

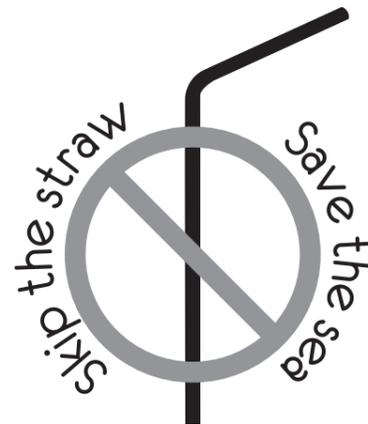

DEAR GUEST,

We wish you a warm welcome to The Colonial restaurant, the home of freshly cooked meals and a friendly atmosphere.

Our menu represents the diversity of both local and world cuisines offering you a wide choice of tasty meals prepared with passion and care for your delight.

We are ocean lovers who care deeply for all of the beautiful creatures residing in the underwater world. We recognize that overfishing and plastic waste are serious global issues endangering the ocean biodiversity and the fragile ecosystem. That is why fish and seafood are not part of our menu, nor do we provide plastic straws.

We thank you for your understanding and wish you "Selamat Makan"!
